

**Earth System Science Organization (ESSO)**  
**Indian National Centre for Ocean Information Services (INCOIS)**

(An Autonomous Institute under the Ministry of Earth Sciences, Govt of India)  
'Ocean Valley', Pragathi Nagar (BO), Nizampet (SO), Hyderabad 500 090  
(Ph.: 040-2389 5000/5002, Fax: 040-2389 2910, e-mail: [director@incois.gov.in](mailto:director@incois.gov.in))

**Call for Applications for the Ph.D. Programme**

ESSO-INCOIS is a leading institute in the field of operational Oceanography with a specific objective to provide oceanographic information and advisories to public. The services of ESSO-INCOIS are supported by focused in-house research and development activities. ESSO-INCOIS also ties up with several national and international oceanographic institutes to improve the quality of its services. Major research activities in ESSO-INCOIS include ocean modelling, ocean data assimilation, data analysis, satellite oceanography, coastal vulnerability studies, potential fishing zone identification and studies related to water quality, tsunami and storm surges. ESSO-INCOIS is the National Oceanographic Data Centre which collects/gathers and archives large amount of oceanographic data, that are vital for operational and research activities. ESSO-INCOIS possesses world class research infrastructure that includes state-of-the-art high performance computer and a well equipped library. ESSO-INCOIS is a recognized research centre of Hyderabad Central University, Andhra University, Mangalore University , Jawaharlal Nehru Technological University (Hyderabad). More details about ESSO-INCOIS are available at <http://www.incois.gov.in>

ESSO-INCOIS invites applications for Ph.D. programme from motivated candidates with a first class M.Sc./M.Tech. in Earth Sciences/Physics/Mathematics. Candidates should have cleared the National Eligibility Test (NET) conducted by CSIR/UGC or similar national level tests including, but not limited to, GATE, INSPIRE etc. Candidates who cleared the UGC-CSIR NET without fellowship, if selected, will be offered fellowship from ESSO-INCOIS as per ESSO-INCOIS norms. A successful candidate should register for Ph.D. on a specific topic with one of the recognized universities within two years of joining under the guidance of one of the scientist(s) at ESSO-INCOIS. Interested candidates may send their detailed bio-data alongwith a brief write-up (~ 500 words) on the field of proposed research to 'The Director, ESSO-Indian National Centre for Ocean Information Services, Ministry of Earth Sciences, Ocean Valley, Pragathi Nagar (BO), Nizampet (SO), Hyderabad 500 090, Andhra Pradesh, India' by post or to [director@incois.gov.in](mailto:director@incois.gov.in) via e-mail. Applications received will be screened periodically and shortlisted candidates may be called for interview. Selection will be based on personal interview conducted at ESSO-INCOIS. Out station candidates called for interview, will be provided accommodation in the guest rooms and 2<sup>nd</sup> sleeper train/bus fare from their place of stay to Hyderabad at shortest route will be reimbursed.
